MENTOR

Mentors needed for
Akron Public Schools students
(Training and activity playbook provided.)

School-based mentoring programs like iC.A.R.E. teach students confidence in their academic abilities, helping them perform better in school and increasing their chances of graduation.

A caring mentor can have a profound impact on a child's future, preparing them for success in the classroom – and in life.

Mentors help kids:

- Avoid negative influences
- Learn how to face difficult life challenges
- Develop good self-esteem
- Prepare for a bright and successful future
